MultiVision bags HK\$4m contract

MULTIVISION Intelligent Surveillance Limited said it has secured a contract from Macau's Elixir Group for a pilot project to provide digital video surveillance solutions as part of the security requirements for an extension of a casino in Macau. The contract value to Elixir is HK\$4.43 million (S\$987,558). Based in Hong Kong, MultiVision specialises in the design, development and distribution of digital video surveillance products and solutions and has a distribution network across the world.
