

## **Listed Company Announcement**

### **MULTIVISION INTELLIGENT SURVEILLANCE LIMITED**

#### **MultiVision Wins Fresh Contracts amounting to HK\$8.0 million from three Macau hotels and casinos as well as Hong Kong's Asia Container Terminal**

MultiVision Intelligent Surveillance Limited (the "Company") wishes to announce that it has been awarded the following fresh contracts amounting to HK\$8.0 million through its appointed distributors Elixir Group in Macau and PCCW Ltd in Hong Kong:

#### **Macau Casino Extension Project**

This is valued around HK\$8 million and involves the installation of new digital video surveillance systems at China Hotel and Grand View Hotel, and an increase in surveillance coverage at Pharaoh's Palace casino operated by Macau gaming company Sociedade de Jogos de Macau, S.A, a subsidiary of Sociedade de Turismo e Diversoes de Macau, S.A.R.L. The above brings the total number of casino and hotel facilities in Macau for which MultiVision's systems have been installed or would be installed to 17.

Aggregate contract value for these projects in Macau to-date stands at HK\$64 million, of which HK\$5 million was fulfilled in MultiVision's fourth quarter of financial year 2003 ("Q4 FY03") and second quarter of financial year 2004 ("Q2 FY04").

#### **Asia Container Terminal**

In Hong Kong, MultiVision's distributor partner won a contract to implement a 67-video camera CCTV port surveillance system. MultiVision is supplying HK\$324,000 worth of high-end digital video surveillance products comprising seven units of NetServer Super (hardware, MPEG4-based Digital Video Recorders) and three units of Unet Client Workstation 1000 (management client).

None of the Directors or Controlling Shareholders of MultiVision has any interest, direct or indirect, in the above transactions.
